

New for January - Job Shopping

Please be advised that effective for January 9, 2017 a feature in Smart Find Express will be activated that allows supplies to view and accept jobs under the available jobs tab in Smart Find Express **scarri.eschoolsolutions.com**. (Please see attachment)

- Future jobs are available to view and accept 5:00 pm - 11:59 pm daily following the same levels of qualified callout as the phone. The job will only be available for you to view when at your qualified level and meets current callout criteria , qualified, available, location,
- Future phone callout times remain the same 6:00 pm – 10:00 pm and the on line job will be locked while the phone is calling out on that job, indicating the job is in callout.
- Use of the on line available jobs feature is voluntary.
- Current day jobs will be available after 12:00 am and may be locked while the current day callout starting at 6:00 am (or 2 hours prior to start of job for custodial positions) is in progress.
